

## AdvanPay-500™

RFID detacher for hard tags

[More info](#)

### Benefits

Enables self-checkout

Reduces theft

Requires little space

### Characteristics

- Hard tags are removed quickly and easily
- Detection of hard tags, verification that they have been paid and detaching

### What makes our detacher unique

- Compatible with Concept Tags.
- Concept Tags achieve higher theft reduction than magnetic hard tags thanks to their robust locking mechanism

### Applications

- Points of sale
- Self-checkouts
